Location & surrounding area:

Palma's old town is ideal for those wishing to live in the midst of city life, with its small, sleepy squares, narrow alleys, wonderfully picturesque buildings, lively shopping streets and restaurants and cafes.

In this part of the town something is always happening, and here the most places of interest can be found including the famous cathedral La Seu, built between the 14th and 19th centuries, the Arab baths, the Almudaina palace or the well-known nightlife-quarter La Lonja. The history of the capital of Mallorca can truly be felt here.

Take a stroll down the narrow alleys of the old town of Palma and drink a coffee or a glass of wine on one of the little squares. Let yourself be enchanted by the charm of 'the pearl of the Mediterranean', and you will surely never forget Palma.

Nearby is the 'Plaza Espana' from where there are connections to the very well-organised traffic system, no matter whether you are travelling by bus, train or taxi.
