Details:

This bright and spacious finca with great Mallorcan character is surrounded by nature, and stands on a fenced plot in a very quiet area offering breathtaking views of the mountains!

Around the house is a 3,000 sqm garden planted with fruit trees, the perfect place to relax in absolute tranquility and enjoy the sounds of nature. On one side of the garden is the large pool area with sun loungers from where beautiful unobstructed views can be enjoyed. At the rear of the plot is a separate cottage, a henhouse and an old mill.

Upon entering a reception hall leads directly into a living room with fireplace and to a separate modern family kitchen, fully-equipped with electrical appliances. On this level there are also 2 bedrooms, one of which has its own bathroom, and a guest WC. The unique style of decoration of the house preserves the charm of the past.

On the first floor is a second living room with fireplace, 2 double bedrooms with a large dressing room between, and a spacious bathroom.

To assure pleasant temperatures on hotter summer days the house is equipped with air conditioning.

This beautiful finca is situated within walking distance of the centre of Lloret De Vistalegre and is characterised by its authenticity and its tranquil atmosphere.

Here a place to enjoy the sun, the shade, the air and the view of the mountains can always be found.

Pets are welcome, and a monthly rental would be possible. Prices on request.
