Details:

This charming finca offers the perfect opportunity to enjoy a real Mallorcan country way of life, situated on a plot of 21,120 sqm which nestles perfectly into the surrounding Mediterranean countryside. It is only a few minutes drive from the traditional villages of Porreres and Felanitx.

A driveway lined by almond trees leads to the finca, which was completely renovated in 2022. It has a one-level living space of approx. 120 sqm distributed over a living/dining area with a modern, fully-equipped open kitchen offering ample space for the whole family and with direct access to a covered terrace providing the perfect shady retreat during the summer months. The finca also has 3 spacious bedrooms and 2 modern bathrooms, one of which is en suite.

In the external and garden area a mature tree population exists, with fruit trees including oranges and lemons adding a special charm. Directly adjoining the pool there is a sun terrace.

Further features include air conditioning in the living area, with pre-installation in the bedrooms, and a practical utility room completing the specifications of this lovely property.
