Location & surrounding area:

Situated at the foot of the Tramuntana mountains is the wonderful and very popular village of Alaro, authentic Mallorcan and with diverse restaurants, bodegas and shopping possibilities open throughout the year.

Its weekly market takes place every week on Saturdays and presents a real shopping experience with all typical Mallorcan specialities. During the last few years the village has become more popular with a mixed population including the northern countries as far as Spain, bringing a new charm to the village. From here both cyclists and hikers can comfortably start their excursions to the twin mountains, with Palma itself within easy reach.
