Location & surrounding area:

Port d'Andratx is one of the best-known natural harbours in Mallorca, once a modest fishing village which, over the years, has become one of the most popular and exclusive areas on the island with its exceptional villas, luxury hotels and nautical activities and numerous high-quality gourmet restaurants serving every kind of international delicacy.

Apart from its bars, boutiques and restaurants Port d'Andratx is surrounded by wonderful Mallorcan nature, including the bathing bays of Cala Llamp, Cala Moragues, and Cala d'Egos offering pure relaxation. The fishing way-of-life of the harbour, however, has never been displaced and in fact is expanding, reflected in the fish market which takes place after the arrival of the fishing boats at the pier.

There are also monuments in the harbour of great historic and architectural interest, such as Sant Carlos on the pier, or the defensive towers.

The unforgettable sunsets and the unique flair which make the area so unique can best be celebrated at the end of the day accompanied by an enjoyable glass of wine at the side of the harbour.
