Details:

This noble villa is situated in Sa Torre, and underwent a loving and detailed renovation in 2005.

Distributed over its ground floor is a bright kitchen fully-equipped with top-brand appliances, an open living/dining area, 2 very tastefully finished bedrooms, and a bathroom.

From the living area there is access to a covered, south-facing Mediterranean-style terrace providing views over the pool and the sunny garden.

On the upper level is the main bedroom with en-suite bathroom, and a further room currently used as a media/TV room which could become a further bedroom. It also has a bathroom en suite.

In the cellar area there is a fitness studio, a bathroom with integrated steam-sauna, and the house technology room. The fitness room has natural light and could also be used as a bedroom if required.

Further features include oil-fired central heating and air conditioning, assuring pleasant temperatures throughout the year.

During the design and renovation of the villa great attention was paid to using only the highest-quality materials. The property can be purchased fully-furnished if required.
